How to Register and Pay

A complete and up-to-date registration guide is kept on our Web site and is easily referenced from our home page (www.ayso45.org). We strongly suggest you check the site for current FAQs and updates.

- (1) Go to our web site www.ayso45.org
- (2) Click the link for Registration and follow the directions on the site. Do not hard-code any bookmarked link from last year – it will not work properly.
- (3) You should see a page welcoming you to Region 45 registration. Sign in using your Region 45 username/password. If you forgot your username and/or password, click on the “Forgot Password” link. If you are new to our region, click “need a Username/Password”.
- (4) If player registered in Region 45 before DO NOT create a new account for that player.
- (5) Follow the directions within the application. This year there are registration options to select one “no practice” day. If filling out a buddy form do not do this option.
- (6) Once you have completed Registration, you can pay either online using PayPal or you can send us a check payable to AYSO45, PO Box 4252, Mountain View, CA 94040. Payment options will be explained on the exit Web page that will show after online registration is complete.
- (7) After you have completed Registration, **we strongly recommend that you go into Web Youth Soccer and double check the division that you have signed your child up for.** If it is not the division that you had intended, please contact the Registrar immediately so that it can be corrected prior to team formation.

An application is not complete and will not be processed unless the mandatory information and payment are made.

Note: If you require registration assistance or would like to find out about financial aid please send an email to registrar@ayso45.com or call us at (650) 964-AYSO and leave a clear and detailed message. Allow several days for a response. Email is preferred.
